

Webster & Bennett

LEADERS IN VERTICAL TURNING MACHINES & VERTICAL TURNING & MACHINING CENTRES

Bob Cartwright

IMTEX 98

We are very pleased to be at this exhibition represented by Mr Bob Cartwright from our factory, accompanied by Mr René Gurtner, Mr Chapuis and Mr Olivier Besançon from our parent company, S.A.Muller Machines. Inside this brochure we take the opportunity to remind you of our range of Vertical Turning Lathes, the most popular in the world. We also take this opportunity to introduce the newest machine in our range - the MILLENNIUM. This world beating machine is available with table sizes from 1000mm to 3500mm and Live Tooling and 'C' axis enables extensive milling to be performed.

MILLENNIUM
